# *In 2023 it cost \$333,000 to field 7 teams*

(On-field related costs only)

2023 was a highly successful season for the Old Scotch Football Club with 5 out of 7 teams playing finals and 3 teams in grand finals. There is much enthusiasm for our young developing teams and expectation for 2024 success with all our men's and women's teams is high again.

As the chart above highlights, there is however a high cost involved in providing the very best in coaching, medical support, facilities and equipment for all our players.

Player sponsorship is an ideal way to support the Old Scotch Football Club so that we can continue to provide the best to our players and remain a highly successful VAFA Premier division club.

And by providing a Player Sponsorship you will be supporting an individual player in paying their annual subscription fees as well as receiving many OSFC Sponsor benefits and discounts.
