

## NETWORK DIRECTORY MEMORANDUM CELEBRATING 100 YEARS

With the club celebrating its Centenary, there could not be a more exciting time to be associated with Old Scotch Football Club. We invite you to take advantage of this special occasion to become a Corporate Partner in 2021 if you haven't already.

Whether it is brand recognition, corporate hospitality, community engagement, lead generation, introductions or improving your profitability, there is a package to suit you. Each package is unique and offers a different experience depending on what your business requirements are. If a partnership is not for you, then why not sponsor one of our players to show your support?

Being our Centenary, next year will be huge with a raft of social and business events teeing off with a golf event at Kew Golf Club on 22<sup>nd</sup> February which will provide you with the perfect start to the year to help launch your brand but also provide an experience you will never forget.

Despite the Pandemic, the Business Directory continues to impress and has been responsible for some significant business and trading as well as being an important employment tool for our players. The directory will continue to provide a 24/7 business platform for you to network and if you decide to take up a partnership, you may have access to even more benefits:

- Advertising in our Drumsheet eNewsletter
- Opportunities to do unique promotions (subject to approval)
- Complimentary tickets to selected social events
- Invitation to official functions
- Unique branding opportunities
- Promote awareness of your business at our Marquis events
- Player Sponsorship options
- Career business evening for our players
- Corporate style networking workshops at your business
- Social Media

Let's not wax lyrical, introductions are becoming increasingly more important and the best way the Club can support you is by connecting you with each other. For more information and to receive a comprehensive brochure about our Corporate Packages for 2021, please contact Robert Millar 0414 330 179 or Peter Simpson 0418 382 025 and let us help you tee off the season with a hole in one!
